DISSEMINATION ACTIVITY 2: Field Crops Department in Faculty of Agriculture, Gaziosmanpasa University, Tokat-Turkey

Prof.Dr. Huseyin ÖNEN, one of the team members of GOU has presented the project to the young agronomists who work with farmers in Rural Areas. The audiences of the activity are mostly employed in the Rural Areas and deal with field crop growth. They have trainings on Rural Activities.

The description of projects, main goals, activities, expected outcomes and benefits of RURALITY project have been identified.

The brochures of the RURALITY have been distributed to the audiences. Young agronomists have asked many questions regarding on the outcomes of the projects. They are willing to learn more about the project.
